## Clarification of Intent

This repository exists **only** as:

- A permanent public record of authorship
- A reference point for digital provenance
- A historical ledger documenting the origin of the Capsule Protocol and the DLC Standard

It is **not** an open-source project.

It is **not** a contribution-driven project.

It is **not** a collaborative standard body.

All creative, conceptual, semantic, and structural elements originate solely from

**Christopher J. Prater**, and remain fully protected.
